

## SCREENING LICENSE

Linux Beach Productions (and Clay Claiborne; writer, producer, and director), holder of the copyright for the documentary, "Vietnam: American Holocaust" hereby grants license to publicly screen this documentary to (*licensee name here*) \_\_\_\_\_ and their representatives or members to whom Linux Beach has provided a copy of "Vietnam: American Holocaust" (or to the above named who has purchased a copy and asked for permission from the copyright owner).

The public screening is not limited to a specific location, size, or context.

The above designated licensee agrees to advertise "Vietnam: American Holocaust" in whatever way may be appropriate and tell the screening audience how they may receive more information or purchase the DVD by visiting the website at <http://VietnamAmericanHolocaust.com>.

## RESTRICTIONS

Neither the above named licensee, nor anyone designated or assigned by said representative may copy the contents of the DVD, put the contents of the DVD online, or give or sell the DVD or its contents to professors, any other individual or entity, including but not limited to their school library without written permission of Linux Beach Productions.

In cases where the owners of a venue, such as the administration of a college or university, require a preview screening before allowing the licensee to publicly show "Vietnam: American Holocaust", Linux Beach Productions reserves the right to be notified of the decision made.

This License may be revoked at anytime at the sole discretion of Linux Beach.
